Re: Key Employee Application
Short Line Express Market
500 South Decatur Boulevard

Dear Ms. Meyer:

This letter is written to appeal the decision of Ms. Chor's Key Employee Application, which was denied on August 17, 2007. Ms. Chor has been employed with Short Line Express Markets since May 3, 2004. Short Line Express Markets was aware of her past drug convictions before she was hired. Ms. Chor has missed zero days since she was hired, and has been a model employee here at Short Line Express Market. All of our employees, Ms. Chor included, are subject to quarterly random drug testing.

In June of 2005, Ms. Chor failed a metro alcohol sting, and was given a ticket for selling alcohol to a minor. She did try to ID the minor, but read the date on her ID incorrectly. Ms. Chor, who was a clerk at the time, was given a 3 day suspension for this infraction. Short Line Express participates in a program called Bars, which visits all of our locations on a regular basis, with undercover participants checking our stores clerks and managers against selling alcohol and cigarettes to minors. Since Ms. Chor's ticket she has passed all of her Bars stings.

Ms. Chor, who is a lifetime resident of Las Vegas, is an excellent manager, and we find her trustworthy of these responsibilities. As we have stated earlier, we wish to appeal this decision and make Ms. Chor the Key Employee at the above referenced location.

If you have any further questions please do not hesitate to contact me at the above number or at 592-6248. Thank you for your assistance with this matter.

Sincerely,

Duane L. Shields
